## Academic Year 2021/22

Anglican churches follow a liturgical calendar. This is a pattern for their worship (liturgy) through the year. As a church school, this provides an ideal opportunity to mirror what is happening in your parish / local church. It also provides a colourful and visual way to mark the festivals throughout the year.

Most churches will use different coloured vestments (a priest's clothing) and altar cloths as signs of the season of the church year. In school this can mirrored through simply changing the colour of cloth on the worship table, or theme a whole display using the relevant colours. Soon you will find that the children recognise the colours and their meaning, that when they enter the worship space they will notice the colours have changed and begin to make links between the seasons and the festivals throughout the year.
