

'Learning the Language of SIAMS: a Journey Towards Excellence'

With the introduction of the new SIAMS Evaluation Schedule, this session aims to help senior leaders connect the language of the new schedule with the distinctively Christian vision for their school.

The morning session will focus on providing practical support in working with the new SIAMS evaluation schedule.

The afternoon session (if you choose to stay) is intended to provide delegates with some time to update their schools SEF or have a useful quiet space to update any other documentation with Diocesan staff on hand to help and advice.

The sessions will be led by Yvonne Shaw (Schools Effectiveness Adviser, SIAMS inspector) and Gillian Georgiou (Diocesan RE Adviser)
