

Dear All

Today is the start of a very different period for us all but particularly for those in schools. As you open your doors today for what will be, hopefully a very small group of pupils please know that you and your staff are in our thoughts and prayers.

I know you will be anxious about many things; keeping staff and pupils safe, how to keep in contact with those pupils at home, whether arrangements for FSM will work, what new instruction from government will come next.

Please take a moment to reflect on your vision and values rooted in Christian truths.

But he said to me “My grace is sufficient for you, for my power is made perfect in weakness.”

2 Corinthians 12.9

Together we can do this.

Please keep in touch with all of us in the education team. Share your worries, your successes and your queries; we are here to serve you as always, but particularly at this time.

(And looking outside. Today, underneath the frost there is the feeling of spring. We have blue sky and birdsong and the reminder of new life )

Keep smiling

God bless

Jackie
