

Islam: Core Concepts

Allah (God)
One God
99 Names help Muslims try to understand the nature of God

It is the job of humans to try to keep things in harmony (*muslim*).

All things created in harmony (*muslim*); God wants them to stay this way

It is not easy to keep things in harmony (*muslim*), so God gives humans a straight path (*shariah*) to follow to help them keep things in harmony.

God gives Muslims guidance to help them follow the straight path (*shariah*):

Follow the straight path (*shariah*) and everything will stay in harmony (*muslim*), as God intended it to be.
